

The Cervion Difference

LOCAL SERVICE

We pride ourselves on providing great service for local restaurants. Cervion Systems has served restaurants in our community for over 30 years. At Cervion, customers come first.

UNLIMITED HELP DESK & 24/7 SUPPORT

You work nights and weekends, so do we! Our in-house support team is available 24 hours a day, 7 days a week for emergency issues.

FEE RECOVERY PROGRAM

Through this innovative program, save thousands of dollars annually by reducing or eliminating credit card related expenses, and qualify for a **FREE** POS system.

AFFORDABLE POINT OF SALE

Our As-A-Service subscription is a worry-free solution and includes:

- Hardware Placement & Replacement
- Software Updates & Enhancements
- Local Service & Support

"Cervion is always so great, there is always someone to call. The entire staff always seems to try hard for me!"

GINA

Owner, Little Sorrento

"Cervion's POS system is reliable, fast and functional. If we need help, the team at Cervion is always there."

DUSTIN

Manager, Flo's Restaurant

Personalized Services:

SITE SURVEY

On-site technical consultation to assess and review your technology needs.

PROFESSIONAL MENU PROGRAMMING

Our experts review and configure your menu and pricing optimized for your restaurant configuration.

PROFESSIONAL INSTALLATION

A dedicated Project Manager will install all of the hardware/peripherals, like printers and cash drawers.

ON-SITE TRAINING

We provide on-site training and a training terminal to ensure everyone knows how to use the POS system.

Reliable iPad Point of Sale Solutions

Industry trends are constantly evolving; accommodate guests with modern iPad POS solutions designed to meet your restaurant's technology needs.

ORDER & PAY AT THE TABLE

Power of POS in the palm of your hand. Easily place orders and accept secure payments at the table.

ONLINE ORDERING

Easy to set up and use for both guests and staff. Reduce third-party expenses with an integrated platform.

WAITLIST & RESERVATION

Manage your waitlist and reservations right from your point of sale system and send real-time updates to guests.

ADVANCED REPORTING

Real-time reporting with AI - ask and get instant, detailed analytics anytime, on any device.
